

Crepe Cherie in Claremont... the secret's out

Tucked away in the Bayview Centre is a Parisian creperie well known to Claremont locals called Crepe Cherie.

The cafe is popular because it not only has the warm atmosphere and décor of a Parisian cafe of old, but more importantly serves delicious freshly made crepes based on authentic French recipes. These recipes are special because they were passed onto the owner by her French grandmother. Their menu also reflects family and allergy needs by offering kids crepes and a gluten free range.

It is not uncommon to find mothers during the week catching up with friends in the mornings or just before school pick up. On weekends the café is buzzing with young families and parents having breakfast or lunch before or after sports and other extra-curricular kids' activities.

This September to introduce themselves, Crepe Cherie is offering a free coffee with each crepe or salad purchased*(Conditions Apply). Crepe Cherie is located along Maude Jackson Lane (Opp. Bunnings), Bayview Centre in Claremont or Call 9383 1880.
